

The Hondo Anvil Herald.

VOLUME SIXTY

HONDO, MEDINA COUNTY, TEXAS, JUNE 28, 1946

NUMBER FIFTY-TWO

SPARKS

The paper hadn't been in the mail very long last week when we got a telephone call from a lady who knew the "Sallie Patterson" being sought by the Chicago law firm in connection with an estate. We hope that it proves to be a valuable estate.

Cleaning out old desks is interesting. We found a copy of the Castroville Anvil dated April 20, 1889. In it appeared the following paragraph that shows how fast the world moves: "Labor troubles, strikes, shutdowns, etc. that are reported in the daily papers do not speak well for the steady business habits of our people, or there is an awful big screw loose somewhere that throws the entire machinery out of gear." The world moves, folks keep telling us, but some things sound familiar from one century to another.

The production of a newspaper is strictly limited to a time schedule. When news, advertising, and job printing come in a regular steady flow, planning can be done. This week the Hondo Anvil Herald is forced to apologize to those advertisers whose displays are not set up with the usual excellent typographic display. Al Armstrong, the man responsible for production, says that it's too bad we don't know a week ahead of time just what will be on hand. If we did, he could schedule the work and allow more time to all phases of composition.

This week was unusually rushing, with a number of unforeseen large ads.

We heard from our subscribers last week about omitting the column rules from the paper. One man told us that he liked it very much, and most of the opinions heard were in accord that way. Another reader said that he favored the lines between the columns, but thus far he is in the minority. We are continuing this week with our new style and hope to hear more on the subject.

Sparks this week seems to be confined to news of this office, but have you noticed the cut pages on the paper? The reason is that two weeks ago we installed an automatic folding and trimming machine. It eliminates many hours of tedious work and makes possible a larger paper. This gadget makes about 14,387 folds in about six hours, and the papers come out on a little platform all ready to be addressed. The machine cost a lot of money, but it is a part of our long range plan to give Hondo a good hometown newspaper.

NEW FOUNTAIN SCHOOL CLEARS \$110 FUND WITH BENEFIT PLAY

The New Fountain school raised \$110 with their play "Here Comes Battle." Members of the Parent-Teacher Association were in the cast and the funds raised were donated to the polio ward of the Robert B. Green hospital in San Antonio.

Mrs. Jack Sharp, New Fountain teacher, was the director of the play, and Mrs. John Henry Heyen is the president of the P.T.A.

Job Finding Made Easier by Chamber

The Hondo Chamber of Commerce is cooperating with the local office of the Veterans' Administration in an effort to make job finding here easier.

Employers are being asked to register their needs with the secretary of the chamber of commerce, listing the kind of help they want and what the employees will do.

Folks seeking employment may register also, and when the job they are suited for is open they will be notified.

FLORENCE FENLEY TO SPEAK

Rep. Florence Fenley will speak over radio station KABC Monday morning at 9 o'clock.

Bilhartz Rites To Be Saturday

Mrs. Louisa Wernette Bilhartz, 72, died in San Antonio early Thursday morning after a long illness. She had rallied Wednesday, and seemed to be improving for a time.

Her funeral will be held on Saturday, June 29, at 9 a. m. This service will be in the Horger funeral home, and at 9:15 a service will be conducted in St. John's church. A rosary will be recited Friday at 8:30 p. m. at the funeral home. Burial will be in the Catholic cemetery in Hondo.

Bohmalks Plan Big Reunion

The Bohmalks reunion will be held at Castroville Sunday, June 30, it was announced this week.

The sons and daughters of the late Mr. and Mrs. S. H. Bohmalks are in reunion now at Garner State Park near Uvalde. All the brothers and sisters are present except Lydia who was unable to attend. There are two sisters and one brother from California, one sister and one brother from Arizona, and six from Texas. The group is camping there, and will go to the Castroville picnic Sunday.

Henry Moore Dies At Age of 78

Funeral services were held yesterday for Henry Moore, 78, who died Wednesday, June 26, at 3:30 a. m.

Mrs. Moore was born in Medina County on March 5, 1868, and lived in this county around Hondo all of his life. He is survived by one daughter, Mrs. Bessie Cooley of Hugo, Okla., a son, Roland, of Pipe Creek, Texas, one grandson, two sisters, and four nephews.

Services were held Thursday at four p. m. at the Horger funeral home, and interment was in the Oakwood cemetery. Rev. Norman Lewis gave the funeral sermon.

To Participate In Atomic Bomb Test

—U. S. Navy Photo

Leon Schneider, fireman second class, USN, son of Mr. and Mrs. M. Schneider, Castroville, Texas, is serving aboard the USS Deliver, a twin-screw diesel-electric powered salvage vessel which will participate in the coming atomic bomb test at Bikini Atoll.

600 Present At Schweers Reunion

The Schweers' family reunion held Sunday, June 23 in Wernette Gardens, Castroville, was a huge success, with 600 relatives gathering from far and near.

The morning devotional exercises began at the scheduled time and the chairman announced that the day was set aside in honor of the veterans who had returned from the war zones. He then introduced the Rev. E. Jordan, who delivered the message.

During the services three infants were dedicated to the Lord by receiving holy baptism. At 12:30 the crowd had lunch consisting of barbecue, bread, pickles, salads, tomatoes, fruits, cake and coffee.

At 3:00 p. m. the chairman called the family to order and introduced the returned veterans to the audience. Each veteran there mentioned his name, gave his field of activity and length of service. Then followed the introduction of new members to the family, both by marriage and by birth.

The family expresses its deepest appreciation to all the committees for excellent service rendered, and to Jack Saathoff for his efficient way in supervising and handling the food.

Mrs. Cannon Dies In California

Mrs. Hattie Cannon, 68, died Tuesday morning at her home in San Francisco, California. The body was cremated, and the remains will arrive in Hondo this week end, with funeral services to be held here.

She was raised in Hondo, and is well known in the community. Mrs. Cannon was a member of the Church of Christ and the Eastern Star.

Survivors include her brother, W. A. Mask of Hondo, another brother, J. M. Mask, and a sister, Mrs. Lola Busby, both of San Antonio. Her children are Mrs. Shelley Moore of San Francisco, Miss Octavia Cannon of Baltimore, Maryland, Miss Alta Cannon, and a son, Howell Cannon of the U. S. Navy.

Surplus Sale At HAAF July 1

Additional small lots are being placed on sale at the Hondo air field July 1. Everything from hand soap to an electric ironer is included, and many of the items could be used around the home or farm. Full details are given in an ad elsewhere in the paper.

Watermelons Being Shipped From Devine

More than three fourths of a million pounds of watermelon was weighed in Devine last Monday on the public scales. Fifteen carloads were shipped on that day alone, and many big trucks were loading with melons destined for shipment as far as Colorado.

LEGIONNAIRES PLAY LOCKHART SUNDAY

The Pruned Post Hondo Legionnaires nine will cross bats Sunday afternoon with a Lockhart, Texas nine at the local diamond.

The two teams were billed for last Sunday but because of stormy weather was postponed until this week.

Blanton Taylor and Tommy Finger are among the new players added to Hondo's lineup for this week's game.

WEATHER CONDITIONS MAKE THE NEWS

A. G. Ise was in town Monday from the Kincheloe Prairie section and said that Highway patrolmen had to be called into service to direct traffic on account of flood conditions on the highway Friday afternoon of last week. A seven-inch rain fell in a few hours and in some places water covered the highway.

Oscar Nester was here Monday from the Seco section west of D'Hanis and "for a change" was wishing for dry weather. He said the moisture was so excessive from recent heavy rains that maize belonging to a neighbor had sprouted in the head while shocked waiting to be threshed. Despite the not too favorable weather for bees, however, he reports the apiary belonging to his father, Henry Nester, producing a nice honey flow.

Field Artillery Battery May Be Located Here With New Armory Building Planned

Hondo was offered a new Federal Armory building Tuesday along with a National Guard unit consisting of five officers and 55 soldiers. The organization under consideration is the Service Battery of the 131st Field Artillery battalion.

Lieutenant Colonel Thomas W. Gahagan of the Adjutant General's Department, Camp Mabry, Austin, was here to present the plans before a hurriedly called meeting of interested persons.

Colonel Gahagan said that if the town can donate twenty acres of land located near town to the State of Texas, the government will construct an armory building in about eighteen months. The guard unit will be established here prior to that time, however, and will need about 3000 square feet of floor space at the time the battery is organized.

Zion Church Raises \$1000

Rev. A. H. Falkenberg reported to the congregation of Zion's Lutheran Church Sunday on the European relief fund raised about sixty days ago, and announced that the total was \$1,061.75.

MAKES PROFIT WITH GOATS WHILE IMPROVING RANGE FOR CATTLE

Herman Koch visited the Anvil Herald office Saturday afternoon. In conversation with Mr. Koch, an Anvil Herald representative learned that after his retirement some months ago from a clerkship with the E. R. Leinweber Co., with which organization he was connected for some sixteen years, he went into the Angora goat business. His ranch of nearly five hundred acres, just west of the air field, has been fenced goat-proof and stocked with 220 head of Angoras. Among his purchases was one particular pet goat for which he paid \$4.00. He sold her first clip of mohair at 59c per pound. This amounted to \$2.65, making the actual cost to him of the animal only \$1.35—and she is already growing him another clip for the fall shearing!

In addition to the flock of Angoras, he is running a small herd of cattle on the same range and finds that the brush-eating goats, by thinning out the undergrowth, improve the range for the grass-eating cattle.

DISTRICT COURT NEWS

District Clerk Emil Britsch this week reported the following Court action by District Judge K. K. Woodley of Sabinal on June 18th:

Ex Parte Edward J. Weynand, application to remove disabilities of a minor. Attorney Jack Woodley of Sabinal was appointed special guardian and after evidence was heard the application was granted.

Elvira Ytuarte vs. Rudolfo Ytuarte, divorce, alimony and injunction. This case was set for hearing at Leakey, Texas, on June 27, 1946.

Since last report the following case was filed on the docket of the District Court of Medina County: Bernard Balzen vs. Fritz Balzen and wife, Theodocia Balzen, foreclosure of Vendor's Lien note.

BISHOP BUYS MANHATTAN CAFE

Bill Bishop, restaurant man from Bandera, bought the Manhattan Cafe last week from John Karpos. Tommy Matthews of Bandera is operating the restaurant for Mr. Bishop. They will continue the sale of beer and are serving regular meals.

GAUTHIER SPEAKS TO LIONS

Ed. Gauthier of San Antonio was the guest speaker at the regular Wednesday Lions club meeting. He described the various kinds of club members he had met.

MRS. PHIPPS DIES IN LOUISIANA

It was learned here Thursday that Mrs. Anna Phipps died in Sulphur, Louisiana, on June 12. Mrs. Phipps had been living in Hondo, and was taken to Louisiana by ambulance on June 4.

Local Men Needed

Colonel Gahagan added that an annual payroll of between \$15 and \$20 thousand dollars a year would be distributed to the men serving in this group. He said that two hours a week of drill and training in maintenance and supply of a field artillery battalion would be required, and that the average pay for enlisted men would be \$16 a month and for officers \$32.

Each year the guard would go to camp for fifteen days, during which time the full army pay would be given. All uniforms and equipment would be furnished.

In the table of organization are included one captain, one first lieutenant, two second lieutenants and one warrant officer for supplies.

All local men, and particularly ex-field artillery men, who are interested in joining this Service battery are being urged to register at the Chamber of Commerce office this weekend. This is necessary so that an estimate of the strength available may be submitted to the 36th Division commander.

City Considering Offer

The meeting was adjourned with the understanding that the city council would consider the project further, with the possibility of locating the unit temporarily in a building at the Hondo Air Field if arrangements can be made with the branch of government responsible for disposition of the now unused navigation training center.

Hondo's answer will be made to Colonel Gahagan within a week.

Age Limits Specified

Men between the ages of 18 and 36 would be eligible to join this guard unit if it is finally established here. Second Lieutenants could not be more than 30, first lieutenants not more than 35, and captains not over 42. Officers must have had at least six months of active duty during the recent war.

Much heavy equipment would be located here, and the government would maintain all of it in Hondo. The educational program would be largely based on the upkeep of this material, with some time devoted to basic training.

Lions Meeting Sabinal Team

The Hondo Lions Club will journey to Sabinal Friday evening to do battle with the Sabinal Lions softball team. Both clubs will dress in women's clothing.

A return match will be scheduled for July 8, when the Sabinal team plays on Barry Field at 8 p. m. Tickets will be sold in advance by the Hondo Lions.

METHODISTS SET DATE FOR REVIVAL MEETING

Rev. Fred J. Brucks will be the guest preacher when the revival of the First Methodist Church gets underway on July 28. It will last through August 4th.

On that closing day, Sunday, the organ dedication will be held.

Final plans for the revival and for the dedication service are to be made in the near future.

CHAMBER REQUESTS UNIFORM CLOSING DATE

The Hondo Chamber of Commerce is asking all business houses to close on Thursday, July 4.

MC ANELLY SERVING WITH 11TH AIRBORNE ON HONSHU

WITH THE EIGHTH ARMY IN JAPAN—Technician Fifth Grade James A. McAnelly is serving with the 11th Airborne Division on Northern Honshu near the city of Sendai, Japan.

Mac entered the Army at Fort Sam Houston, Texas on the 25th of April, 1945 and was processed and prepared for his training at an Infantry Basic Training Center. During his basic training he learned the complex life of a soldier in tactics of infantry warfare. After completing those long hard weeks of toil and hardship Mac was given a short furlough at home before reporting to a west coast Port of Embarkation. His next stop was Yokohama's Fourth Replacement Depot where he boarded a train for Sendai to join the 11th Airborne Division.

In the 11th Airborne Division Mac was assigned to 711th Ordnance Maintenance Company taking up the duties of clerk and typist in the Division Ordnance Office. Mac's job provided his opportunity and he soon earned his present grade.

Before entering the Army Mac was engaged in ranching and farming with his wife, Mrs. Edythe McAnelly, who now resides at Hondo.

FORMER CASTROVILLE MAN BURIED IN SAN ANTONIO

Funeral services were held for Mr. James Carl Cobb, 57, on Tuesday June 25 in San Antonio.

He was associated with Mr. Louis Scherrer some 30-odd years ago in the operation of the first garage established in Castroville. While there he married Miss Laura Rihn, daughter of Mr. and Mrs. Willie Rihn of that place.

Later they moved to San Antonio where he has since engaged in business. He is survived by his wife, Mrs. Laura B. Cobb, and by his children, Mrs. Aubrey P. Nathan and Mrs. J. C. O'Brien, William T. Cobb and Tech-Sgt. Jay Wayne Cobb who has been reported missing in action over Germany since April, 1944.

Mrs. Cobb has numerous relatives all over Medina County who sympathize with her in the death of her husband.

ELBERT WIEMERS WRITES FROM KOREAN OCCUPATION ZONE

Korea Base Command June 1, 1946

Dear Editor:

I received two copies of the Hondo Anvil Herald recently and I sure was glad to get them too. I only received a few copies since I'm overseas but I'm looking forward to getting more real soon.

I'll tell you a little about where I'm at and the Army life.

I'm stationed about eight miles east of Jensen, which is Korea Base Command. This place K. B. C. is the main supply base for Korea. There are about 10,000 soldiers stationed here and a lot of material comes in her too, at times.

Well the Army life is alright I guess but I don't like it at all. I want to be back in Hondo again on the farm but I have to wait my turn I guess.

The food here is pretty good at times but most of the time it isn't fixed right. I really will be glad to be back on the farm where I can drink all the fresh milk I want and I really will drink a lot too.

The climate here is pretty fair I think. Sometimes it's cool, hot and raining all one week. Sounds almost like Texas weather doesn't it? Well this country isn't like Texas at all and I wouldn't give one foot of Texas for the whole place of Korea.

There isn't much news over here to write about so I'll close for now

Here In Hondo

Mr. and Mrs. Joseph Darnell spent Sunday in San Antonio. They were joined there by their daughter and her husband, Mr. and Mrs. Robert McKinney of Johnson City for an enjoyable visit.

Mr. Howard Tschirhart and Mr. Julius Jungman of Castroville spent Tuesday in Hondo.

Mr. and Mrs. Carter Beach of Austin are visiting Mrs. Beach's mother, Mrs. Berta McCall. Mr. Beach is attending the University of Texas.

Mr. Rudolph Haby of Rio Medina was a Hondo visitor Tuesday.

Mr. and Mrs. Fred Sanders of Pearsall visited Monday with Mr. and Mrs. C. M. Merritt. Their daughter, Betty, returned home with them after an extended visit with her grandparents.

Mr. and Mrs. Rudy Krenmueller spent Thursday in San Antonio on business.

TWO POLIO PRECAUTIONS OFFERED FOR SUMMER USE

With epidemics of infantile paralysis now prevalent in some communities, attention is being focused on the precautions which parents have been given by the National Foundation for Infantile Paralysis to safeguard themselves and their children from serious attacks of the disease.

Simple as these precautions are, many persons take them too lightly and do not consider them of real value. However, strict observance of them may mean the difference between non-infection or a mild, non-paralyzing infection and a serious, paralyzing or perhaps fatal attack.

These precautionary measures which have been advised represent the results of many keen investigations.

Take these safeguards:

"Avoid over-tiring and extreme fatigue from strenuous exercises."
"Avoid sudden chilling such as would come from a plunge into extremely cold water on a very hot day."

Here In Hondo

Mrs. Ed. Connevey of Pettus, who has been visiting her sister, Mrs. Earl Boon, returned home on Sunday, accompanied by Herbie Boon.

Mrs. Earl Boon and Mrs. Ed Connevey visited their father, James Breeding, in Encinal, and Mrs. Boon's daughter, Mrs. George Newson in Pearsall for a few days last week.

Mr. and Mrs. Hilmer K. Eisenhauer attended the Belgian Picnic and dance at Pablo Grove near San Antonio Sunday.

Mrs. Alice Henderson returned to her home in Austin Monday, after a stay of several weeks with her son, Barclay Henderson, and family here. Mrs. Henderson is the widow of the late Norton Henderson, a valued employee of this paper over a period of some seven or more years when Barclay was quite young. Mr. and Mrs. Henderson and baby have been residents of Hondo since soon after their return to the states following their release from a Japanese internment camp with the retaking of the Philippine Islands.

Mrs. C. W. Pope and Mrs. H. McQueen of Houston visited a week in the home of Mr. and Mrs. Bill Faselier and while here they all went to Mexico.

Mr. and Mrs. John Faselier and Dorothy and Johnie went to San Antonio Saturday and will be gone several days.

Terrace land—terrace land.

A. & M. SAYS CULL LAZY HENS FROM YOUR FLOCK NOW

Any hen laying less than a dozen eggs a month is losing money for her owner, considering prevailing prices of eggs and feed. These inefficient hens should be culled from laying flocks, the Texas A. & M. College Extension Service is advising farm families and backyard poultry raisers of the state.

A hen consumes about five pounds of feed per month even though she is not laying, so further reduction of laying flock is being sought by the government in view of the current feed shortage.

The richer the land, the lower the cost of production.

The poorer the land becomes the faster it washes away.

A half done job in terracing a field is worse than no terraces at all.

Kollmans Return From Vacation Hawaii Bound

Mr. and Mrs. Robert Kollman and daughter, Patsy Lou, returned last week from a 6000 mile three-week motor trip through the west. Their itinerary took them from the Grand Canyon in Arizona to Los Angeles, California, and through Yosemite Valley. From there, through the long Mt. Carmel tunnel, built that at intervals, a car could go into a side opening, and the trio could look down miles over the valley below, they reached Zion Park, Utah, the most beautiful of the National Parks in the West. In Yellowstone National Park the animal life especially the bears lined up along the hi-ways, was especially diverting. After Colorado Springs, the Kollmans arrived in Spokane and to the Canadian border before turning homeward, with fourteen rolls of film and memories of a wonderful vacation.

Mr. and Mrs. Kollman left for Dallas on Wednesday with their daughter, Patsy Lou, where she will enter S. M. U. for a summer term. Miss Kollman will re-enter Trinity College in San Antonio in the fall.

Mrs. Stewart Gives Book Review

A most delightful evening was spent by a number of people in Hondo who came to the First Methodist Church Tuesday evening to hear Mrs. Miller Stewart review "The Green Years," a novel by A. J. Cronin.

Mrs. Stewart is the daughter of Mr. and Mrs. J. Garrison, and her annual book reviews in Hondo are always eagerly anticipated by book lovers.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Frank J. Zerr of Hondo announce the engagement and approaching marriage of their daughter Ruth, to Staff Sergeant Weldon Bailey of Livingston, Texas. The wedding will take place Saturday, June 29th, at Livingston.

Miss Mary Elizabeth Meyer spent Wednesday night with Miss Edna at Sabinal and Thursday attending a barbecue at Utopia.

Mr. and Mrs. John Folk visited Mr. Folk's brother, Oscar Ross, in San Antonio Monday.

Mrs. Lottie Maw of Boston, Mass., the guest of her mother, Mrs. J. L. Holloway.

Mrs. Jack Ulbrich, Jr. and children spent several days with Albert Hoog and family in Castroville last week.

ABOUT THE ACCOMPLISHMENTS

and the

VITAL RESPONSIBILITIES

of your

CONGRESSMAN

THOUSANDS OF VOTERS IN THE 15TH DISTRICT NOT ONLY BELIEVE WE NEED "NEW BLOOD" IN CONGRESS BUT THAT WE NEED TO START CLEANING HOUSE HERE AT HOME BY ELECTING A CONGRESSMAN FROM THIS DISTRICT WHO IS CAPABLE OF BEING A FEARLESS, AND EFFICIENT LEADER.

SUCH A MAN IS J. T. ELLIS, JR., A SUCCESSFUL BUSINESSMAN AND A DISTINGUISHED VETERAN OF TWO WORLD WARS—A MAN WHOSE HONESTY, FORESIGHT AND ABILITY AS A LEADER HAVE BEEN PROVEN.

OUR PRESENT CONGRESSMAN HAS BEEN HOLDING THE JOB FOR 13 EVENTFUL YEARS.

WHAT HAS HE ACCOMPLISHED THAT ANY ORDINARY CONGRESSMAN HAS NOT ACCOMPLISHED FOR HIS DISTRICT?

HIS REAL ACCOMPLISHMENTS IN 13 YRS. SHOULD BE SO OUTSTANDING THAT IT WOULD NOT BE NECESSARY FOR HIM TO ASK HIS FRIENDS TO PAY FOR ADVERTISING TO CREATE THE IMPRESSION THAT HE HAS DONE A JOB IN WASHINGTON.

YES, OUR PRESENT CONGRESSMAN HAS BEEN IN WASHINGTON FOR 13 YEARS. DO YOU WANT TO REPEAT THOSE YEARS? DO YOU WANT THE CONDITIONS WHICH HE HAS HELPED TO CREATE TO GO ON FOR ANOTHER TWO YEARS???

OUR PRESENT CONGRESSMAN HAS BEEN A MEMBER OF A POWERFUL COMMITTEE OF CONGRESS FOR MANY YEARS.

WHAT HAS HE DONE WITH HIS POWER?

IF HE HAS ANY INFLUENCE OR LEADERSHIP IN CONGRESS, WHAT HAS HE DONE WITH IT?

NEVER IN THE HISTORY OF OUR NATION HAS THERE BEEN MORE CONFUSION, INEFFICIENCY, GENERAL INABILITY AND LACK OF CAPABLE, COURAGEOUS LEADERSHIP IN ANY CONGRESS.

OUR PRESENT CONGRESSMAN, WHOSE SUPPORTERS ADVERTISE THAT HE "IS REMAINING IN WASHINGTON. . . WHEN GREAT QUESTIONS ARE BEING VOTED UPON" (HE HAD TIME FOR A FISH-FRY EXCLUSIVE PARTY AT PORT ISABEL THE WEEK-END OF JUNE 23RD) HAS BEEN A LONG-TIME MEMBER OF THE WAYS AND MEANS COMMITTEE OF CONGRESS, BUT, . . .

WHERE IS THE WORLD PEACE?

WHERE IS OUR NATIONAL SECURITY?

WHERE IS THE WORLD LEADERSHIP?

WHERE ARE THE JOBS?

WHAT ABOUT THE STRIKES?

WHERE IS THE FOOD?

WHERE ARE THE HOMES FOR VETERANS?

WHAT'S HAPPENED TO PRODUCTION?

WHERE ARE THE FARM TOOLS AND FARM MACHINERY?

WHERE ARE THE AUTOMOBILES?

WHERE ARE THE CLOTHES?

IS THAT THE TYPE OF "ABLE AND EFFICIENT LEADERSHIP" YOU WANT TO CONTINUE IN WASHINGTON?

DO YOU THINK THAT OUR PRESENT CONGRESSMAN "HAS FILLED HIS OFFICE WELL AND IS BETTER ABLE TODAY WITH HIS KNOWLEDGE AND EXPERIENCE TO SERVE WELL?"

ALL HONEST EVIDENCE DISPROVES IT!

Let's not make the mistake of voting to **Continue the mistakes** and the lack of leadership and lack of foresight which now dominate our government.

**Let's send a capable, honest and fearless leader to Washington
as our Congressman**

A GUEST EDITORIAL
By Dr. Norman H. Lewis

The word delinquency means failure, the violation of a duty, a fault, a misdeed, offense, criminal behavior and attitudes. No one can observe what is happening in our nation along these lines without knowing that delinquency among all ages and groups is both violent and widespread.

It is no easy task to name all of the factors that contribute to delinquency, and crime but one major factor stands out in America today like a sore thumb.

The annual uniform crime reports of the FBI for 1945 reveals that there were 565,541 major crimes committed. Of all arrests made 22% were for drunkenness, 3.8% for driving while drunk, 1.2% for violation of liquor laws, 7.9% for assault, 7% for disorderly conduct, 4.6% for prostitution and other sex crimes, and 1.7% for offenses against family and children.

This shows us that 27% of all arrests made directly involved liquor, and 27.2% involved crimes usually produced by liquor, a total of 54.2% of the crimes directly or indirectly the result of drinking liquor.

Draw your own conclusions as to the cause of a great part of the juvenile and adult delinquency of today and find the remedy for it at the nearest church that stands for the Spiritual Truth of the Word of God.

Editors Note: We are asking all clergymen of Hondo to write an editorial for us. They will appear in this space during weeks to come.

Time Drawing Near For Farm Subsidy Payments

Local PMA Office Urging Medina Farmers To Make Applications Now

From the Hondo office of the Production and Marketing Administration comes word that the time is drawing short to file for subsidy payments on beef cattle production, dry feed, and sheep and lambs. The full text of the press release follows.

Dairy Feed Payments

All dairy producers are reminded that application for subsidy payment on milk and cream sold during May, June and July must be filed by July 1, 1946, in order to be eligible for payment.

Sheep and Lamb

All applications for sheep and lamb production payments must be submitted to the county AAA office not later than August 31, 1946. In instances where all of the evidence cannot be secured within this time limitation, it will still be required that an application must have been filed not later than August 31, 1946. Additional time may then be allowed for securing such additional evidence.

Cattle Payments Ending

The offer of Commodity Credit Corporation to make beef cattle production payments expires on June 30, 1946. In accordance with the terms of this offer and the instructions received in the county office following must be observed in making payments:

will not be eligible for payment unless sold before midnight, June 30, 1946, to the slaughterer for slaughter.

2. In the case of a feeder who sells to a person other than a slaughterer, a beef animal otherwise eligible will not be eligible for payment unless the animal is delivered before midnight, June 30, 1946, to a slaughterer for slaughter.

All applications for beef cattle production payments must be submitted to the county office not later than August 31, 1946. In instances where all of the evidence cannot be secured within this time limitation, it will still be required that an application must have been filed not later than August 31, 1946. Additional time may then be allowed for securing such additional evidence.

BUZZARDS KILL CALF NEAR D'HANIS

Oliver Reinhart, over from D'Hanis Monday, reported that he found the remains of a new-born calf in his pasture that had been killed by buzzards. On inquiry, he and Mr. Meyer of the Farm Credit Office confirmed the fact that this is a common occurrence on the range and that these pests are especially destructive to young lambs.

MANUEL ARCOS DISCHARGED FROM NAVY AFTER PACIFIC DUTY

Manuel Arcos, 20, Seaman first class, son of Vicente Arcos, Hondo, has received his honorable discharge from the Navy.

Arcos entered the Navy in March, 1944, and has served 18 months in the Pacific.

Hondo Flyer Eludes Nazis

Jesus Gutierrez was listed in the Fort Worth Star Telegram Sunday as one of 3,000 combat airmen who crashed in enemy territory during war and then escaped. The publication of their names was kept top secret during the war because of possible danger to their helpers in Europe.

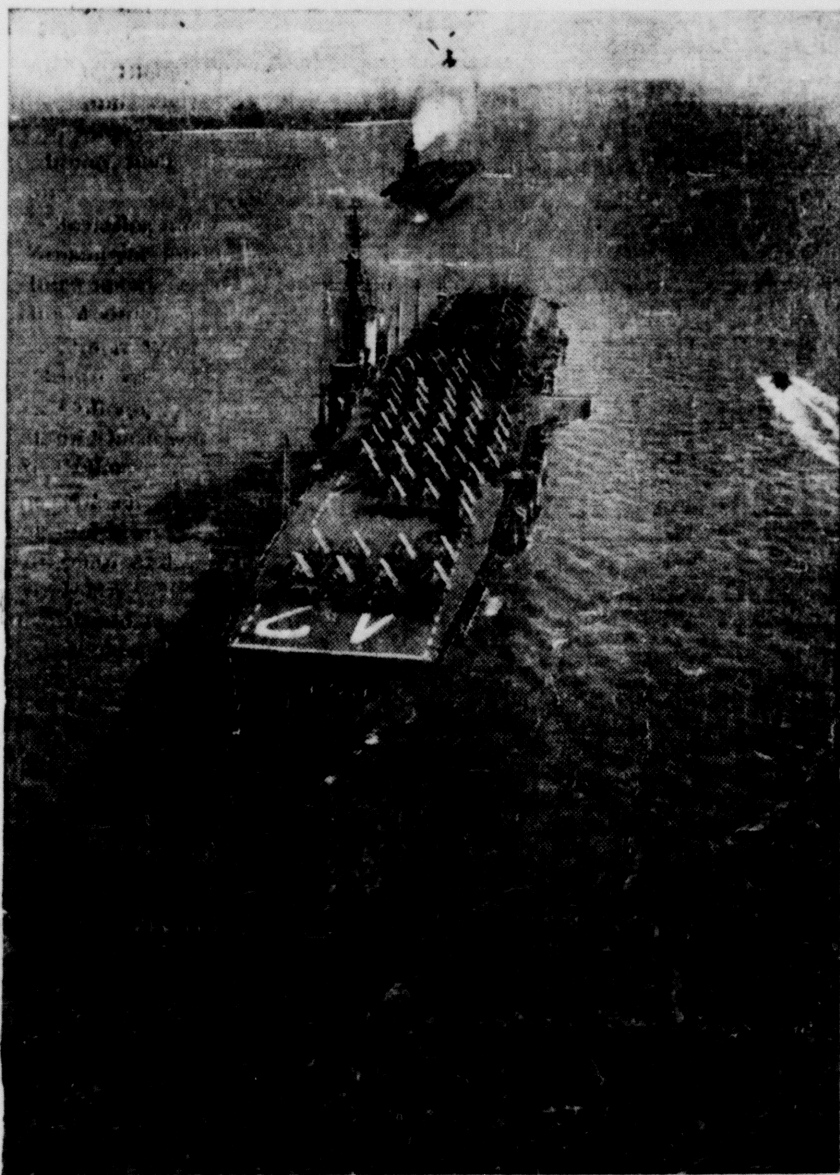

REAL ESTATE VALUES RISE IN HONDO

The total value of real estate in Hondo as determined for Hondo Independent School District is \$1,523,785.00 for 1946 according to J. R. Duncan, County Tax Assessor and Collector. This figure is an increase over last years valuation, and over previous years. In 1944 the figure was set at \$1,422,835.00, and rose to \$1,442,215.00 in 1945.

Nobody Complains Air Force Calls of Raised Taxes Former Officers

All members were present when court convened Monday for the purpose of hearing citizens who were notified of a raise in their assessments. The sitting was from 10:00 a. m. until 4:00 p. m. but no one came. All assessments that were raised were made permanent by order of the court.

The Court also took up the matter of the LaCoste-Saus school district consolidation, and County Judge Arthur E. Rine will order an election for a maintenance tax in said consolidated district, to be held July 6.

On Saturday, June 29, court will meet to receive bids on 155 miles of road basing contracts as advertised at a former meeting of the court.

Discharged A. A. F. officer specialists of 88 different military occupational specialty categories may now request recall to active duty in the air corps, it has been announced by Maj. Gen. Fred Anderson, assistant chief of air staff, personnel, through the A. A. F. Military Training Center in San Antonio.

It was pointed out in Anderson's announcement that these former officer specialists "are again needed in order to successfully accomplish the present vital mission of establishing a stable, efficient postwar air force."

The 88 specialists' categories needed lie in such general fields as engineers, the entire medical department, finance, legal, weather, communication, radar, statistical control, ordnance, armament, aircraft warning, foods service, photo mapping and photo interpretation, transportation, automotive maintenance and repair, chemical and other technical fields.

Mr. W. H. DuBose and Mr. Alfred Harris of Moore, Texas, were Hondo visitors on Monday.

Mr. and Mrs. Louis Stiegler are enjoying a visit from three of their sons, two of them accompanied by their families. They are: Mr. and Mrs. Leslie Steigler of Houston, Mr. and Mrs. Chester Steigler of Dallas, and Frank Steigler of Kansas City, Missouri. The boys timed their homecoming so as to attend the Schweers family reunion at Castroville last Sunday.

Mrs. Callie Bendele, manager of the local telephone exchange, is enjoying her annual three weeks vacation. She spent the first third of it last week among the hills of the Leakey country as a guest of her daughter, Mrs. W. N. Holmer, and husband.

Mr. and Mrs. Hy Kueck had a visit from their grand-son, Charlie Kueck Jr., under circumstances other than pleasant. The young man, an apprentice in a cabinet making shop, had the misfortune to saw about half of the thumb on his left hand completely off about two weeks ago. Not getting satisfactory surgical attention at his home in Benavides, he was brought to the home of his

grandparents here. The wound responded rapidly to treatment and he has already returned home. Moral: "Come to Hondo to be healed."

Hy Saathoff was up from the watermelon and broomcorn area of Yancey Tuesday and reports the harvest of both crops far advanced with yields of both crops good.

Mr. and Mrs. Willie Britsch were pleasantly surprised Monday when their son, T-Sgt. Joe W. Britsch of the Marine Air Corps, arrived home from Santa Ana, California, on a 36-day furlough. The visit was made especially pleasurable by the fact that the Sergeant was accompanied by his bride of some five months, a California girl whom the family had not met. Sgt. Britsch was one of Medina County's volunteers and saw active service in the early South Pacific operation. After being discharged, he re-enlisted. Since that time he has been stationed in California.

Excuse us for braggin'
about being
**AMERICA'S SAFEST
MAJOR RAILROAD**

RECORDS recently released by the bureau of safety of the Interstate Commerce Commission show that the safest major railroad in the United States in 1945 was the Southwest's own Southern Pacific Lines in Texas and Louisiana.

This is a record that calls for a little bragging. It was achieved, not by accident, but by the untiring efforts of the Southern Pacific Safety Department backed by the wholehearted cooperation of every man and woman in the organization.

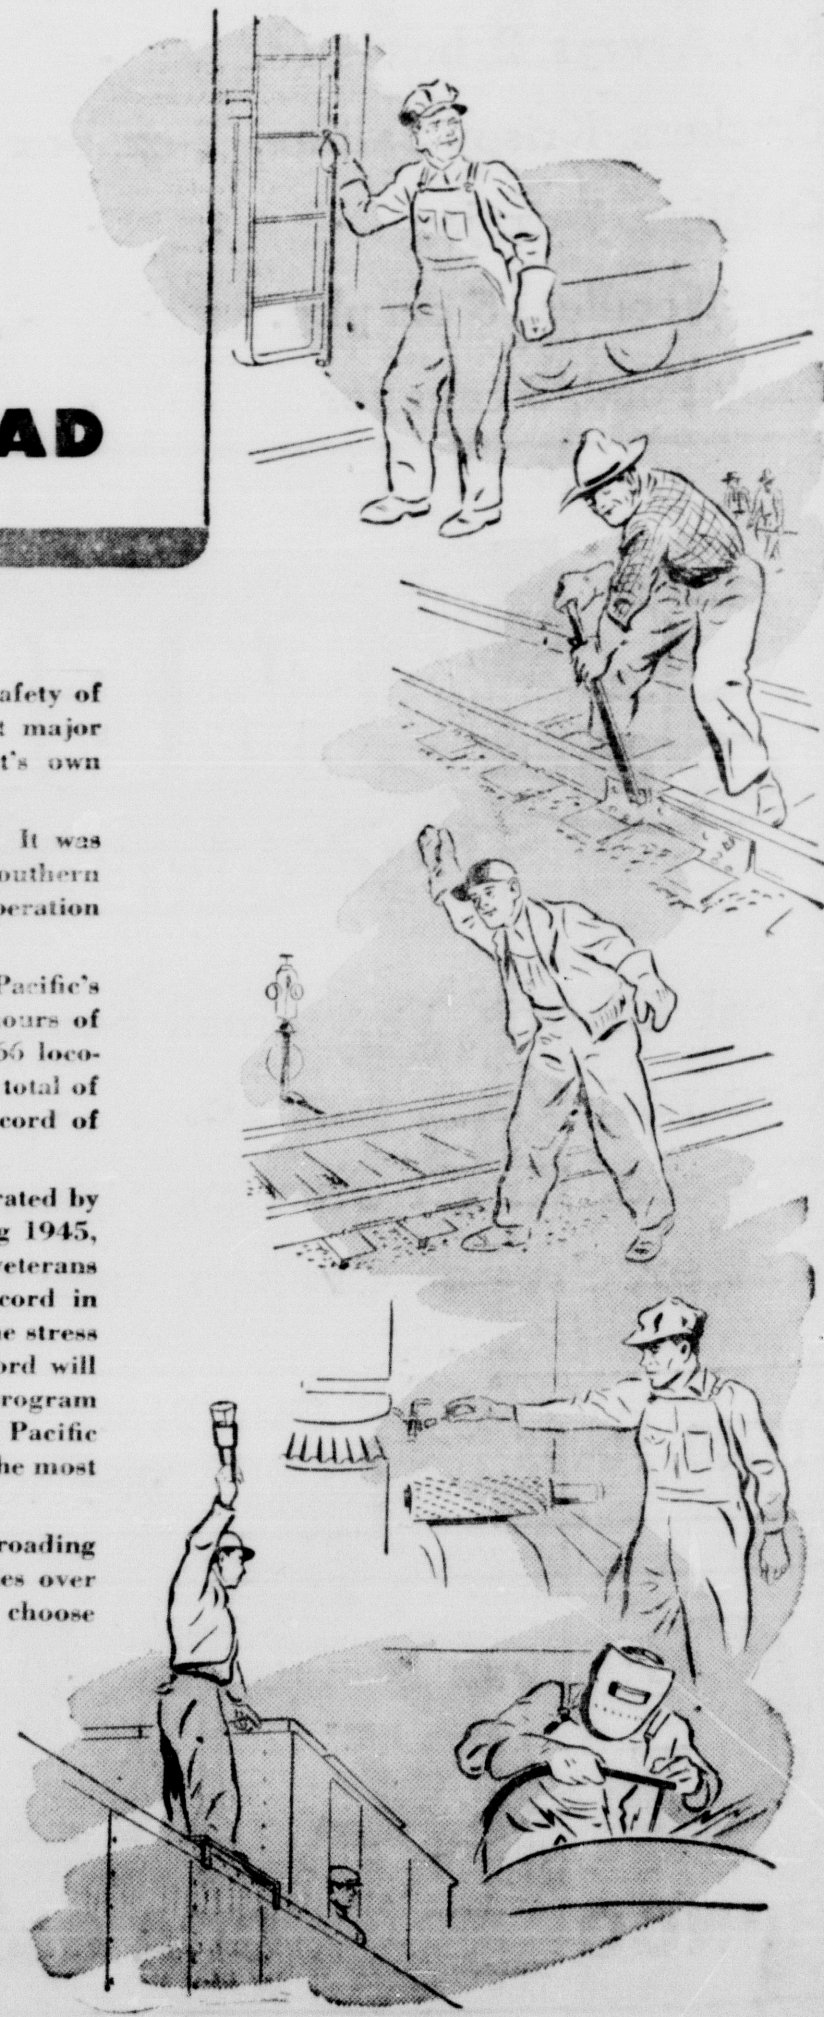

Last year, our climactic war year, Southern Pacific's average of 13,718 employees performed 49,600,000 man hours of work. They operated 13,531,994 train-miles and 23,293,266 locomotive miles. This magnificent job was accomplished with a total of only 172 reportable casualties during the entire year, a record of 3.47 casualties per million man-hours of work.

4400 miles of line in Texas and Louisiana are operated by Southern Pacific and every mile of this line was busy during 1945, carrying war traffic in the earlier months and returning veterans during the year's end. To have achieved such a safety record in normal times would be notable. To have achieved it under the stress of wartime conditions is little short of incredible. This record will stand as a permanent monument to the well-planned safety program of the Safety Department and to the teamwork of Southern Pacific employees and management in carrying it out during one of the most trying years in the nation's history.

The same devotion to the principles of safe railroading that has won for Southern Pacific this national award carries over into SP's service to you. When you or your family travel, choose the dependable Southern Pacific, safest railroad in America.
